

Hello Rockets,

This is the hotel information for our Regional tournament in mid April. This may seem a bit early, but the hotels like to have things sewn up whenever they book a large group. So here is the information (remember it will be posted on our website as well). You may make a reservation at either hotel. Both are in Ankeny and are located very close to each other. Cut-off date is March 10th. Please ONLY take the double-bed rooms if you need it – otherwise please book a king with pull-out or a single king. Thanks, Kyla
